Case No.:

**[PROPOSED] ORDER GRANTING
PLAINTIFFS' MOTION FOR TEMPORARY
RESTRAINING ORDER**

The Court has carefully considered the pleadings, exhibits, and other materials brought before the Court by the Plaintiffs and any provided by the Defendants in connection with the Plaintiffs' motion for a temporary restraining order. The Court finds that Plaintiffs meet the standard for issuance of the requested relief, and that grant of the requested relief is necessary to prevent the Defendants from pursuing actions which will result in irreparable injury to Plaintiffs.

THEREFORE, IT IS ORDERED that Defendants are enjoined from taking any action or recourse against Plaintiffs' property and from pursuing remedies against Plaintiffs under any contract or other agreement related to this action.
